
Neil S Mehta

Global Investment Research
New York

Neil is a managing director in Global Investment Research (GIR). He oversees the North American Natural Resources Equity Research team, which includes a group of analysts with expertise in oil and gas, utilities, midstream, metals and mining and clean technology. Neil also leads coverage of large cap Energy equities, including ExxonMobil, ConocoPhillips and Chevron. He serves as co-chair of the Global Investment Research Inclusion and Diversity Council and is a senior sponsor for the Asian Network and GIR's PhD Fellowship Program, which hires PhD candidates into several GIR research areas. Neil joined Goldman Sachs in 2008 as an analyst and was named managing director in 2017.

Neil earned a BA in Political Science with a focus on International Relations from Columbia University.
